HOLE POPPING EDM

TRUST US

OUR EDM SERVICES OFFERED

Our machines give us the ability to run un-manned operations as well as high rate production in order to achieve quick, accurate, and affordable hole drilling up to 0.250" diameter.

39" X 19" X 25" ENVELOPE

Large work envelope for all your project needs and requirements.

TAP & DRILL BURNING

Have a broken drill or tap you need removed? Hole poppers are perfect for that!

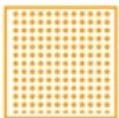

HOLES DOWN TO 0.008"

Micromachining solutions for complex & critically small dimensions.

+/- 0.0015" TOLERANCE

Typical hole pop EDM tolerances are smaller than a human hair.

HIGH VOLUME

Whether you have one hole or 10,000 holes, our machines are equipped with tool changers to run after business hours.

ALL CONDUCTIVE MATERIALS

Can drill soft or hard metals, graphite, carbide, and polycrystalline diamond.
